Chandos Atelier's

Creativity Clubs

Join our professional makers for Creativity Club - an hour of after-school creativity and invention. We explore and experiment with new art materials every week - follow the link below ↘

"Incredible! I knew it would be fun but I hadn't anticipated them learning so many skills and being so inspired."

We encourage imagination and resourcefulness, teaching skills & techniques rather than how to make the same, 'perfect' thing.

"You have changed her relationship with art. She used to hate it, it made her feel bad about herself. Now it's her favourite subject."
